

Rio Grande City CISD will be submitting a grant application for 21<sup>st</sup> Century Cycle 6 year 2 grant funds. The purpose of the program is to provide high-quality extended learning opportunities outside of the regular school day to students in need of academic assistance by developing highly effective and rigorous programs. Programs must provide quality academic assistance and enrichment opportunities to help students meet academic standards and graduate ready for college and/or the workforce. Additionally, priority will be given to serve school(s) that have been identified as in need of improvement under Title I, Section 1116, School Improvement. The project starting date will be no earlier than August 1, 2010, with an ending date of no later than July 31, 2011. Anyone who wishes to review the new grant application is welcome to do so. Please contact the District Grant Writer at 956-716-6673 or come by building 6 located at the Fort Ringgold campus in Rio Grande City, Texas.
